Notes

MB<sup>1</sup> - Meet best over 4x200 meters *only*; however, inferior to the meet record set over the retired, longer 4x220 yard mile race.

2 - North College Hill set a meet best of 1:47.16 in heat 2 of the prelims on May 23, 2013. However, this mark is inferior to the meet best of 1:47.3 MT (Cincinnati Country Day (CCD), 1985) set over the retired, longer 4 x 220 yard relay race. That race would convert to a 1:46.7 MT equivalent over 800 meters.

Note: Marks made at the Lockland & Amelia facilities during the years 1993-2005 were made with a downward sloping landing zone and materially increased the distance of the puts by at least several inches. As it is impossible to ascertain the exact distance gained with a downward slope, the marks are denoted with an "s".

Notes

\* = Race was reported as 4x800 meters in local newspapers. However, the distance was the longer 4x880 yards race. The time shown represents the time reported in local newspapers.

1 - In 1980, OHSAA implemented the switch from yards to all metric events at the state meet. However, the conversion process at both the regional and district levels took varying amounts of time. For the years 1980-87, the Cincinnati A meets were conducted at the 440 yard facility at Reading Veterans' Stadium. Meet programs from that era list all the running events being in yards except for the following: 100M, 100M Hurdles, and 300M Hurdles. All other running events were in yards during that era, despite the fact that results were sometimes reported as metric distances in local papers.
